Dear Mr. Sujeeth,

We wish to place on record our sincere thanks for the excellent help rendered during our office movement (on 15th March 2002) by taking all the precautions in moving the equipments from our ITPL office located 25 KMS away to our present premises ' The Estate' at MG Road.

Further, we appreciate for the suggestions, advise, help, guidance provided you provided by you to our staff while preparing for the equipments transit because of which the Office movement was made possible in the smoothest way as per our predetermined plan.

Thanking you

Yours sincerely
