To whom it may Concern:

Globe Moving and Storage Company (GMSC) is a Authorized & official Relocation company appointed by us. They have relocated our office and our employees within India. They continue to do an excellent job.

Their professional approach and prompt replies to our queries have helped us relocate our executives and managers with much ease.

When relocation of our office space is being handled by GMSC, our company is at peace, as all our requirements and deadlines are consistently met.

Vodafone as a company has always had first Class experience with GMSC.

To particularly point out on the uniformed packing crew and well trained & efficient executives, the vehicles are always clean and at the best condition, all this makes us feel so comfortable, secure & assuring.

We can only wish all success to GMSC and assure them our continued support.
